KID CARPET'S NOISY NATIVITY

Wed 02 December 2015 – Sun 03 January 2016

Kid Carpet is putting on the local Christmas Nativity show, but no one has turned up to audition. Never fear, The Noisy Animals are next door at band practice and say they can help out. A radical remix of the traditional Christmas story with big beat songs, wonky carols, live special effects, puppetry and animation.
