We are proud members of the Sustainable Restaurant Association, a community of businesses working towards an environmentally restorative and socially progressive UK hospitality sector.

Our vegetarian menu is all made on the premises using locally sourced ingredients with as much as possible coming from our farm in Backwell, as well as other suppliers from the region. All of our eggs are organic and free range, from Haresfield Farm in Wiltshire. Our milk and cream is from Bruton Dairy in the Cotswolds.

One Planet Plate is a global campaign that enables diners to vote with their fork for a better food future by choosing these 'sustainable specials'.

OH MOTHER

A RashDash & HOME co-production, co-commissioned by Soho Theatre, Tobacco Factory Theatres & MAYK.

A fever dream made in the heat of the love, the exhaustion and the chaos. It's for our friends, our parents, our partners, our babies and for any of you making a family. Family means everything you want it to mean. What a transformative thing it can be to take care of someone else, completely. How it rearranges you. How you might yearn to do it. How you will definitely yearn for a break. It is relentless. Diabolical. Wonderful. Hilarious. Necessary.

Following the award winning *Three Sisters*, RashDash and their mums explore having and becoming mothers.
