**CURATED BY LIZ LEWITT**

The Tobacco Factory, Raleigh Road, Southville, Bristol BS3 1TF

# ART SHOW & SALE | SEPTEMBER 14 - 18

The exhibition title 'Penthouse' refers to the genesis of Liz's bold visual aesthetic formed through filters of fashion, fetish and burlesque, and to the luxurious penthouse apartment of the Tobacco Factory, Bristol, where the exhibition takes place.

Founder of her own fashion label selling to Agent Provocateur in the 1990's and the exclusive arts club Il Bordello in Bristol Harbour in 2000, Liz has mastered a fluent visual language that spans fashion design, photographic and TV styling, club promotion & interior design.

Liz's latest creation is Mill End Mitcheldean, a medieval holiday house, dining and sleeping up to 40 and home to a riotous collection of contemporary street art in the Forest of Dean. Many of the artists showing at Penthouse also hang in the permanent collection at Mill End Mitcheldean, Gloucestershire, an hour from Bristol.
