FOOD AND DRINK

Bubbles on arrival, craft beers on tap and delicious alcohol-free drinks; let us pour your guests something special. We have a fully licensed bar and stock craft beers (including vegan and gluten-free options), ciders, spirits, wine and bubbles from some of our favourite Bristol independents.

We know how important good food is for your special day! We're a meat-free kitchen that uses fresh, seasonal produce from our very own Five Acre Farm in Backwell, to create exciting dishes for sharing.

As with all aspects of our venue, we aim to provide a sustainable, environmentally conscious service.

We strive to offer something for most dietary requirements or allergies, but please do let us know if you would like us to make any adjustments, and make us aware of any allergies within the party.

Our menu's are seasonally lead; ask us about our latest offerings.
