# FLOWERS

Our 5 Acre Farm is a community interest, regenerative and no-dig farm in Backwell.

The farm is a hive of activity year round; community outreach, fresh produce, workshops and wellbeing events. They are also passionate about their flowers.

Ideal for the hands on, creative and environmentally conscious wedding couple... Ditch the air freighted, industrially produced flowers – and hand pick your own local, seasonal blooms to dress your special day.

Wedding pickers are offered private weekday access to our flower beds to curate their blooms. This allows for the freshest selection for your big day! Alongside this, you will work closely with our grower Vivien, who will consult along the way.

We also offer workshops and pick-your-own sessions which make memorable hen do's, engagement parties and more.

“ An absolutely massive thank you to everyone at Tobacco Factory for supporting the event.

Please pass on my thanks to your team who supported everything in the run up from posters to promoting and sponsorship, and to the people on the night who helped with the bar, the sound, and the amazing food.

We honestly had the best night in your space... I would 100% recommend TF as a location for an event. ”

“ Thank you again for looking after us... Your clear communication, flexibility, and calm handling on the day made a real difference. Everything ran smoothly, the room was perfect, and your team were both helpful and welcoming. We also had some great feedback from attendees! I'd be very happy to work with you again in the future. ”

- *Ben Newton / Kaizen Summit*

“ I appreciated you and your team's support running such a lovely event... a heartfelt thank you to you and your team for all of your support over the three events that we've run at your venues. ”

- *Charlotte Sawyer / Rave on for the Avon*

“ I booked The Loft for a 'celebration of life' event in January 2025 after my partner died. The venue is wonderfully light, with fantastic views over Bristol... It has an informal and pleasantly quirky feel to it which we liked.

The staff who helped us on the day did a wonderful job of setting up the space, arranging food, serving drinks, moving tables and chairs around as needed, which allowed us to concentrate on other elements of the event.

I'm very grateful to them for helping to make it such an enjoyable gathering for everyone there, although of course one that was tinged with sadness. I will definitely recommend The Loft to others who are looking for a venue for their event. ”
